

# WE'RE LOOKING FOR YOU!

For over 130 years, Heinrich König GmbH & Co. KG has been synonymous with innovative and reliable products for the maintenance and preservation of surfaces. As a market leader, we develop and manufacture tailored coating systems, fillers, cleaning agents, and care products for professionals in industry, trade, and the DIY sector. We prioritize long-term relationships not only with our customers and partners but also with our employees.

For our location in Niederdorfelden, we are looking to fill the following position as soon as possible:

## Technical Services Employee (m/f/d)

### Your future responsibilities will be:

- Monitoring, coordinating, and executing maintenance cycles
- Fault analysis, troubleshooting, and preventive maintenance and repair of our production equipment
- Coordinating and managing external service personnel
- Spare parts management and procurement
- Documentation of machine manuals
- Creating work instructions and training employees on work instructions
- Expanding and modernizing existing systems
- Supporting plant management with special projects, project coordination, and implementation

### What we offer:

We offer an exciting position with plenty of creative freedom and opportunities for growth, along with a role and performance-based salary. Additionally, you'll find an open, welcoming organisation and a friendly work environment.

### Requirements:

- At least 2 years of professional experience in a similar or related role, ideally with a completed qualification as a mechatronics technician or equivalent
- Independent and responsible working style, along with strong communication and teamwork skills
- Willingness to work flexible and staggered hours as outlined in the valid company agreement
- Proficiency in MS Office and English language skills are a plus

### Interested?

If this position has sparked your interest, we would be delighted to receive your detailed application (including cover letter, CV, certificates, notice period, and salary expectations) as a PDF or by post.
